<td>A tale of how crime affects the poor population of Rio de Janeiro. Though the narrative skips around in time, the main focus is on Cabeleira, who formed a gang called the Tender Trio. He and his best friend, Bene, become crime lords over the course of a decade. When Bene is killed before he can retire, Little Ze attempts to take out his arch enemy, Sando Cenoura. But Sandor and a young gangster named Manu form an alliance and begin a gang war with Little Ze. Amateur photographer Buscapo, a good-natured boy who comically learns that he's not cut out to be a hoodlum, takes pictures of the brutal crime war, making their story famous.</td>
